Dear Friends,

You and your family have generously supported the Danvers Historical Society for many years, and we are so very grateful for your support! As a valuable participant in our Society we do not take your benevolence for granted. **We must earn it!**

Since our inception in 1889, generations of members, such as yourself, have envisioned and understood our contribution to the well-being of our community. For over 129 years, the Society has managed to safeguard the collections of national class historic properties, antiques, photos, journals, and printed materials. **We NEED YOU to help us continue.**

You can help us by renewing your membership; always remember the **Danvers Historical Society is your Society!** Your support provides us the opportunity to provide quality educational and community programs for all ages in unique environments. **Please JOIN US today!**

Please **RENEW** on-line or complete the form below, and if you are interested in volunteer opportunities, please check the appropriate box or call us. # Our Membership Matters!

Danvers Historical Society relies on **YOU** to continue its 129 year old legacy of service to the town and its visitors. 2018 will be a exciting year for the Danvers Historical Society. THANK YOU to the many loyal members who have already made their annual commitment to join. We are grateful!

The Society relies on members to share stories and preserve their heritage and **live up to our education and preservation mission for our children**. For those who will send in your form shortly, I'd like to share just a few exciting things happening in 2018 that will certainly inspire you.

- **Come Grow With Us** – 11<sup>th</sup> year of Job Skills and Therapy through Horticulture for youth with learning disabilities and refurbishing the Lord & Burnham greenhouse into a year round learning facility.
- **3rd Grade History Week** – 32<sup>nd</sup> year of learning experiences with Danvers public schools focused on local heritage.
- **Discover Danvers Roundtable** – 4<sup>th</sup> year of hands on exploration of our collections with inquisitive researchers from Salem State University and other educational institutions.
- **Derby Summer House Restoration** – preserving our National Historic Landmark at Glen Magna Farms Phase I completed thanks to donors like you. Phase II, restoring the interior, **needs you!**

Your 2018 membership dues will make all this possible. These programs, along with the many other initiatives, that are so critical to the preservation and education of our great town's history, are only possible through the continued growth of our membership. **We call on you to be a part of this legacy.**

Do not hesitate to reach out to our office with questions; we'd love to hear from you.

Sincerely,

*Cathy Gareri, Operations Manager*
